D. TVROP Programs Update - information

Suzanne Smith, Program Coordinator, presented an update on current programs, advisories, and partnership opportunities. There were over 100 participants at the advisory; very well attended with representatives from Las Positas, Member District staff, students and parents. The Engineering department from LHS had so many participants they needed their own table and many new partnerships were formed.

A new partnership is being fostered with Stoneridge Creek. Stoneridge Creek has Independent Living, Assisted Living, Skilled Nursing Facility, and Memory Care. Thanks to the Strong Workforce Grant, we are exploring a Certified Nursing Assistant (CAN) program. Stoneridge and Stanford are both very interested in us offering the program. Upon completion of the one-year program, (didactic, clinical and instruction portion), students can sit for the State exam which can cost around \$700. Stoneridge Creek has proposed a program in which they could finance this for students in exchange for a commitment of at least six months of paid employment, during which time the students would repay the cost of the exam. Stoneridge has also invited our students to attend their job fairs.

Stanford would like to offer facility space on Stanley Blvd. where we could host the training program with all the equipment that would be needed.

Sara Beyne, Amy Robbins, and Suzanne Smith are working on the program and meeting with Stoneridge and Stanford.

A video was presented reviewing all the pathways. A mentoring program showcasing careers in education is being piloted in Dawn Pavon's classes and all the mentors are enjoying and very excited. We look forward to implementing to all Developmental Psychology of Children students.

Strong Workforce Program: K12 Pathway Coordinator

Background:

The California Community Colleges Chancellor's Office (CCCCO), in partnership with the California Department of Education (CDE), announced annual funding to implement a regional technical assistance structure to assist teachers and industry partners in implementing high-quality CTE programs. Education Code 88833 appropriates \$12,000,000 in annual career technical education funding to support the establishment of Career Technical Education Key Talent field positions to support both the CTE Incentive Grant Program and the K-12 component of the Strong Workforce Program (SWP) with the positions of K14 Technical Assistance Providers and K12 Pathway Coordinators.

Funding is inclusive of eight K14 Technical Assistance Providers (TAPs) (one per California Community College regional consortium) and 72 K12 Pathway Coordinators (K12 PCs) (one per California Community College district).

The K12 Pathway Coordinator seeks to improve the performance of the K14 CTE programs within her/his service area as measured by the CTEIG, K-12 SWP Metrics and guided by the K14 Pathway Quality Rubric. This is done through: providing direct support to, and helping to link and align the program development efforts funded by CTEIG, K-12 SWP and Community College Strong Workforce Program investments in the service area; through drawing attention to and engagement with labor market and program performance information and the region's workforce development plan; and through coordination with other regional key talent including the K-14 TAP, Regional Directors for Employer Engagement, the Centers of Excellence, Guided Pathway Regional Coordinators, and the Regional Consortium.

After consulting with all of the K12 Districts and administration within the Chabot-Las Positas Community College District, TVROP was nominated to host the K12 Pathway Coordinator. Las Positas and Chabot College administrators agreed to designate their SWP funds to this cause, allowing two Coordinators (one for Chabot and one for Las Positas) to be hired to serve in this capacity and fully uphold the objectives and activities for this position. The district superintendents from Castro Valley, Hayward, San Lorenzo, San Leandro, Eden ROP, Dublin, Livermore Valley Joint, and Pleasanton Unified School Districts wrote letters of support for Tri-Valley ROP to serve as the host LEA for the K12 Pathway Coordinator position.

Recommendation:

If TVROP is selected to serve as lead Local Education Association (LEA) within the Chabot-Las Positas Community College District to host the SWP funded, K12 Pathway Coordinator position, the TVROP Superintendent requests the Board to approve this grant-funded position to be added to the TVROP certificated list of positions.
