Criminal Justice Academy

Students will have the unique opportunity to participate in a variety of exciting activities designed to enhance their learning. Activities include field trips, career exhibitions, leadership opportunities, mentoring, ride alongs, and academy competitions. Students will complete physical training at the RTC facility on the Alameda County Sheriff's campus and have the opportunity to complete the confidence course just like a cadet!

Course Length:
1 Year/2 Periods
High School Credits: 20

Introduction to Criminal Justice (CJ/CSI)

This course provides students with a strong overview of law enforcement as a career. Each portion of the course helps students obtain a proficiency in understanding the different components of the criminal justice system. Students are provided with an overview of career opportunities, including but not limited to, sworn personnel such as police officers, sheriffs, highway patrol, correctional officers and non-sworn personnel such as dispatchers, evidence technicians, lab technicians, and attorneys. Students study the connections between the criminal justice and court systems through laws and report writing.

Course Length:
1 Year/1Period
High School Credits: 10

Emergency Medical Responder

This course is designed for first responders in an emergency and develops the knowledge and skills necessary for recognizing and caring for emergency situations. These include CPR, prevention of disease transmission, and automated external defibrillation. Successful completion of the skills test with an 80% or better qualifies students for the American Safety and Health Institute (ASHI) First Responder certificate and an American Red Cross Basic Life Support Healthcare Provider certificate. This will be offered in the evening for both Fall and Spring semester. College credits available.

Course Length:
1 Semester (2 days per week—evenings only)
High School Credits: 5
