

# Medical Occupations

Rev. 1.18.2023

Medical Occupations provides an introduction and broad exploration into several careers within the medical field including: Medical Assisting, Emergency Medicine, Veterinary Medicine, Dental Assisting/Hygienist, Geriatric Assistant, Physical Therapy, Surgical Technician and Nursing. Instruction is combined with a hands-on learning experience through instructor approved clinical work-based learning placements at local medical facilities. After completion of the course, students are eligible to take the California certification exam for Medical Assistants and become a California Certified Medical Assistant—Administrative (CCMA-A). To learn more about this course see our course catalog or visit our website at [www.tvrop.org](http://www.tvrop.org)

**Important note:** Spring orientation is required in order to be enrolled in the program and must be attended by the student and parent/guardian(s).

Students can earn. . .

- 20 high school credits
- Transferable college credits
- UC a-g “g” approval (College-Preparatory Elective)
- California Certified Medical Assistant Administrative Certification (CCMA-A) (must pass exam) and various industry-recognized certifications
