

Emergency Medical Responder

Rev. 3.3.2021

This course develops the knowledge and skills necessary for recognizing and caring for emergency situations, including CPR, prevention of disease transmission, and automated external defibrillation. Designed for first responders in an emergency. Successful completion of the skills test with an 80% or better qualifies students for the American Safety and Health Institute (ASHI) First Responder certificate and an American Heart Association Basic Life Support Health Care Provider certificate. This will be offered in the evening both Fall and Spring semester. College credits available. To learn more about this course see our course catalog or visit our website at www.tvrop.org.

Students can earn. . .

- 5 high school credits
- 3 transferable college credits available
- EMR and CPR Certification
